

# Your Gateway to **Bangladesh.**

GreenMax Collaborators Limited

COMPANY PROFILE

GreenMax Collaborators

# Global perspective. Local expertise.

**GreenMax Collaborators Limited represents international companies in Bangladesh, helping partners establish a presence and develop sustainable business.**

We support market entry, business development, trade and sourcing, project development, and investment facilitation through one local point of coordination.

Our experienced leadership and business and government networks combine local access with a focus on accountability and long-term commercial value.

# A local presence.
# A wider capability.
